Proper Citation: Alzheimer's Australia: Living with Dementia (RRID:SCR_008015)

Description: A website which provides in-depth fact sheets on aspects of dementia and dementia care. It provides information on member organizations in each state, support and respite services as well as counseling and education available through Alzheimer's Australia. This organization's vision is for a society committed to the prevention of dementia, while valuing and supporting people living with dementia. Alzheimer's Australia manages a wide range of innovative National Programs which provide information, support, counseling, training and education to people with dementia, their families and carers as well as to professionals working in the dementia field.
