### Resource Information

**URL:** <http://www.nitrc.org/projects/ahead/>

**Proper Citation:** AHEAD (RRID:SCR\_008890)

**Description:** Open-source turnkey software for automatic hippocampus segmentation. Its primary use is for delineating hippocampus in T1-weighted MRI images. AHEAD is developed by Jung W. Suh, Hongzhi Wang, Sandhitsu Das, Brian Avants, Philip Cook, John Pluta and Paul Yushkevich, and colleagues at the Penn Image Computing and Science Laboratory (PICSL) at the University of Pennsylvania.

**Abbreviations:** AHEAD

**Synonyms:** Automatic Hippocampal Estimator using Atlas-based Delineation (AHEAD), Automatic Hippocampal Estimator using Atlas-based Delineation

**Resource Type:** data processing software, image analysis software, segmentation software, software application, software resource

**Keywords:** volume measurement, anatomic, hippocampus, t1-weighted mri, anatomic label, region of interest, label, mri

**Availability:** GNU General Public License, FSL License

**Resource Name:** AHEAD

**Resource ID:** SCR\_008890

**Alternate IDs:** nlx\_151363

**Record Creation Time:** 20220129T080249+0000

**Record Last Update:** 20260912T195710+0000

---

### Ratings and Alerts

No rating or validation information has been found for AHEAD.

No alerts have been found for AHEAD.
