University of Southern California School of Pharmacy Histology Laboratory Core Facility

RRID:SCR_012228

Type: Tool

Proper Citation

University of Southern California School of Pharmacy Histology Laboratory Core Facility (RRID:SCR_012228)

Resource Information

URL: <https://mann.usc.edu/core-facilities/histology-lab/>

Proper Citation: University of Southern California School of Pharmacy Histology Laboratory Core Facility (RRID:SCR_012228)

Description: Core is located on the fourth floor of the Pharmaceutical Sciences Center, is ready to help you with your histology and pathology research. Open to any USC researcher and has everything you will need to make microscope slides from tissue samples. Tissues can be paraffin embedded, sectioned and stained in the laboratory. Sectioning can involve making microtome, vibratome and cryostat thin slices. You can also make color photographs of your microscopic images for publication. Expert advice is available concerning staining techniques and the interpretation of microscopic images.

Abbreviations: USC School of Pharmacy Histology Laboratory

Synonyms: , USC School of Pharmacy Histology Laboratory, University of Southern California School of Pharmacy Histology Laboratory

Resource Type: access service resource, core facility, service resource

Availability: Restricted
