Proper Citation: ADMEWORKS Predictor (RRID:SCR_014905)

Description: Software program for high-speed virtual screening intended for simultaneous evaluation of ADMET properties of compounds. ADMEWORKS Predictor employs a number of models to predict ADMET properties using models based on values of topological, geometric, physicochemical and substructure descriptors derived from the molecular structures.

Resource Type: software resource, software application

Keywords: admet, absorption, distribution, metabolism, elimination, toxicity, virtual screening, molecular chemistry

Availability: Commercial

Resource Name: ADMEWORKS Predictor

Resource ID: SCR_014905
