TraCeR

RRID:SCR_016338

Type: Tool

Proper Citation

TraCeR (RRID:SCR_016338)

Resource Information

URL: <https://github.com/Teichlab/tracer>

Proper Citation: TraCeR (RRID:SCR_016338)

Description: Software application for recovery of T cell receptor (TCR) data from single cell data. Used to reconstruct full-length, paired T cell receptor (TCR) sequences from T lymphocyte single-cell RNA sequence data. Links T cell specificity with functional response by revealing clonal relationships between cells alongside their transcriptional profiles.

Resource Type: data analysis software, data processing software, simulation software, software application, software resource, software toolkit

Defining Citation: [PMID:26950746](#)

Keywords: recovery, receptor, single, cell, data, computation, method, reconstruct, sequence, T lymphocyte, RNA, sequence

Funding: European Research Council ;
the Lister Institute for Preventative Medicine (S.A.T.)

Availability: Free, Available for download, Freely available

Resource Name: TraCeR

Resource ID: SCR_016338

License: Apache licence

Record Creation Time: 20220129T080330+0000

Record Last Update: 20260903T235331+0000

Ratings and Alerts

No rating or validation information has been found for TraCeR .

No alerts have been found for TraCeR .
