miRmap

RRID:SCR_016508

Type: Tool

Proper Citation

miRmap (RRID:SCR_016508)

Resource Information

URL: <https://mirmap.ezlab.org/>

Proper Citation: miRmap (RRID:SCR_016508)

Description: Software application as an open source Python library to search and predict miRNA targets.

Resource Type: data analytics software, software application, software library, software resource, software toolkit

Defining Citation: [PMID:23034802](#)

Keywords: search, predict, miRNA, target

Funding: Swiss Institute of Bioinformatics ;
Swiss National Science Foundation

Availability: Free, Available for download, Freely available, Tutorial available

Resource Name: miRmap

Resource ID: SCR_016508

Alternate URLs: <http://cegg.unige.ch/mirmap>

License: GNU GPL

Record Creation Time: 20220129T080331+0000

Record Last Update: 20260912T195840+0000

Ratings and Alerts

No rating or validation information has been found for miRmap.

No alerts have been found for miRmap.

Data and Source Information

Source: [SciCrunch Registry](#)

Usage and Citation Metrics

We found 227 mentions in open access literature.

Listed below are recent publications. The full list is available at [kravitz2](#) .

Zhao W, et al. (2026) C1RL-AS1/microRNA-424-5p/adrenoceptor ?2 axis: A novel regulatory mechanism in lung adenocarcinoma associated with immune infiltration and prognosis. PloS one, 21(3), e0343805.
