Proper Citation: SPM U+ (RRID:SCR_016743)

Description: Software Project Management (SPM) tools which contain a collection of functions that can be used at different stage of a standard massive univariate fMRI data analysis. Used to improve mass univariate analysis.

Abbreviations: SPM U+

Synonyms: , Software Project Management Univariate Plus, SPM Univariate Plus, SPM U+, Software Project Management U+

Resource Type: data analysis software, data processing software, software application, software resource, software toolkit

Keywords: SPM, standard, massive, univariate, plus, data, fMRI, analysis

Availability: Free, Available for download, Freely available

Resource Name: SPM U+
