University of Washington Histology and Imaging Core Facility

RRID:SCR_017855

Type: Tool

Proper Citation

University of Washington Histology and Imaging Core Facility (RRID:SCR_017855)

Resource Information

URL: <http://www.uwhistologyandimaging.org>

Proper Citation: University of Washington Histology and Imaging Core Facility (RRID:SCR_017855)

Description: Core provides services including:Immunohistochemistry,Image analysis,Quantitative microscopy,Histology,Luminex cell based multiplex assay,Comparative pathology consultation.Offers experience, expertise and instrumentation across all platforms. HIC utilizes automated immunohistochemistry stainers which provide efficiency and consistency as well as standardization of protocols across studies of all sizes.

Abbreviations: HIC

Synonyms: HISTOLOGY AND IMAGING CORE

Resource Type: access service resource, core facility, service resource

Keywords: Histology, imaging, immunohistology, analysis, quantitative, microscopy, cell, assay, comparative, pathology, consultation, service, core

Availability: Open

Resource Name: University of Washington Histology and Imaging Core Facility

Resource ID: SCR_017855

Alternate IDs: ABRF_677

Record Creation Time: 20220129T080337+0000

Record Last Update: 20260912T200403+0000

Ratings and Alerts

No rating or validation information has been found for University of Washington Histology and Imaging Core Facility.

No alerts have been found for University of Washington Histology and Imaging Core Facility.
