## University of Massachusetts Amherst Genomics Resource Laboratory Core Facility

RRID:SCR\_017907

Type: Tool

---

### Proper Citation

University of Massachusetts Amherst Genomics Resource Laboratory Core Facility  
(RRID:SCR\_017907)

---

### Resource Information

**URL:** <http://www.umass.edu/ials/genomics>

**Proper Citation:** University of Massachusetts Amherst Genomics Resource Laboratory Core Facility (RRID:SCR\_017907)

**Description:** Core provides services and advanced instrumentation support for nucleic acid (DNA and RNA) analysis, high-throughput next-generation sequencing, including solutions for sample processing such as nucleic-acid isolation, nucleic-acid quantitative and qualitative analysis, NGS library preparation, quantitative-PCR analysis, etc. Provides sample processing and library preparation such as whole genome sequencing, shotgun metagenomics, metatranscriptomics, targeted amplicon sequencing, RNA-Seq, ChIP-Seq, Exome Sequencing, Methyl-seq, Single Cell Genomics, etc. Facility accepts samples and will perform requested analysis. Offers training to users to conduct experimentation.

**Abbreviations:** GRL

**Synonyms:** Genomics Resource Laboratory

**Resource Type:** access service resource, core facility, service resource

**Keywords:** ABRF

**Resource Name:** University of Massachusetts Amherst Genomics Resource Laboratory Core Facility

**Resource ID:** SCR\_017907

**Alternate IDs:** ABRF\_789

**Record Creation Time:** 20220129T080337+0000

**Record Last Update:** 20260904T000827+0000

---

## Ratings and Alerts

No rating or validation information has been found for University of Massachusetts Amherst Genomics Resource Laboratory Core Facility.

No alerts have been found for University of Massachusetts Amherst Genomics Resource Laboratory Core Facility.
