Mesquite

RRID:SCR_017994

Type: Tool

Proper Citation

Mesquite (RRID:SCR_017994)

Resource Information

URL: <https://www.mesquiteproject.org/>

Proper Citation: Mesquite (RRID:SCR_017994)

Description: Software tool as modular system for evolutionary analysis. Software for evolutionary biology, designed to organize and analyze comparative data about organisms. Its emphasis is on phylogenetic analysis, but some of its modules concern population genetics, while others do non-phylogenetic multivariate analysis. Analyses available depend on modules installed. Comes with many packages already installed.

Synonyms: Mesquite 3.04, Mesquite 3.61

Resource Type: data analysis software, data processing software, software application, software resource

Keywords: Modular, evolutionary, analysis, organize, comparative data, organism, phylogenetic, population genetic, non-pylogenetic

Funding: David and Lucile Packard Foundation ;
NSERC Discovery grant ;
NSF ;
NSF DEB 1258220

Availability: Free, Available for download, Freely available

Resource Name: Mesquite

Resource ID: SCR_017994

Alternate URLs: <https://sources.debian.org/src/mesquite/>

Record Creation Time: 20220129T080338+0000

Record Last Update: 20260903T235440+0000

Ratings and Alerts

No rating or validation information has been found for Mesquite.

No alerts have been found for Mesquite.
