Cumulus

RRID:SCR_021644

Type: Tool

Proper Citation

Cumulus (RRID:SCR_021644)

Resource Information

URL: <https://cumulus.readthedocs.io/en/stable>

Proper Citation: Cumulus (RRID:SCR_021644)

Description: Software tool as cloud based single cell genomics and spatial transcriptomics data analysis framework that is scalable to massive amounts of data and able to process variety of data types. Consists of cloud analysis workflow, Python analysis package and visualization application. Supports analysis of single-cell RNA-seq, CITE-seq, Perturb-seq, single-cell ATAC-seq, single-cell immune repertoire and spatial transcriptomics data.

Resource Type: data analysis software, data processing software, software application, software resource

Defining Citation: [DOI:10.1038/s41592-020-0905-x](https://doi.org/10.1038/s41592-020-0905-x)

Keywords: Single cell genomics, spatial transcriptomics, single-cell RNA-seq, CITE-seq, Perturb-seq, single-cell ATAC-seq, single-cell immune repertoire, data

Funding: Frederick National Laboratory for Cancer Research ;
HHMI ;
Klarman Cell Observatory ;
Leidos Biomedical Research ;
Ludwig Center at MIT ;
Manton Foundation ;
NCI

Availability: Free, Available for download, Freely available

Resource Name: Cumulus

Resource ID: SCR_021644
