NeuroPep

RRID:SCR_023102

Type: Tool

Proper Citation

NeuroPep (RRID:SCR_023102)

Resource Information

URL: <http://isyslab.info/NeuroPep/>

Proper Citation: NeuroPep (RRID:SCR_023102)

Description: Comprehensive resource of neuropeptides, which holds non-redundant neuropeptide entries. Data collected from resources including MEDLINE abstracts, full papers, UniProt, database at www.neuropeptides.nl and Neuropedia. Contains detailed annotations for each entry, including source organisms, tissue specificity, families, names, post-translational modifications, 3D structures and literature references. Amino acid compositions, isoelectric points, molecular weight and other physicochemical properties of peptides are also provided. Search database with keywords such as sequence, name, family, etc., User friendly web tools like browsing, sequence alignment and mapping are also integrated. Users can submit new entries online. Each new entry is validated before incorporating it.

Resource Type: data or information resource, database

Defining Citation: [PMID:25931458](#)

Keywords: neuropeptide database, neuropeptide, non-redundant neuropeptide,

Funding: National Natural Science Foundation of China ;
Fundamental Research Funds for the Central Universities of China

Availability: Free, Freely available

Resource Name: NeuroPep

Resource ID: SCR_023102

Record Creation Time: 20230105T050209+0000

Record Last Update: 20260811T043717+0000

Ratings and Alerts

No rating or validation information has been found for NeuroPep.

No alerts have been found for NeuroPep.
