Stanford Protein and Nucleic Acid Biotechnology Core Facility

RRID:SCR_023326

Type: Tool

Proper Citation

Stanford Protein and Nucleic Acid Biotechnology Core Facility (RRID:SCR_023326)

Resource Information

URL: <https://pan.stanford.edu/about.html>

Proper Citation: Stanford Protein and Nucleic Acid Biotechnology Core Facility (RRID:SCR_023326)

Description: Offers instrumentation and technical capabilities and plays significant consultative role in application of these technologies to basic science projects. Genomic Services include Oligo Synthesis, Gene Expression, Real-Time PCR, PyroSequencing, Next-Generation Sequencing (NGS), DNA Sequencing (Sanger)/Fragment Analysis Single Cell Genomics, RNA-DNA QC - Bioanalyzer and Fragment Analyzer QC. Protein Services include Peptide Synthesis, Mass Spectrometry, Protein Analytics - Mass Mapping/Edman Sequencing, Surface Plasmon Resonance (Biacore).

Abbreviations: PAN

Synonyms: Stanford Protein and Nucleic Acid Biotechnology Facility

Resource Type: access service resource, core facility, service resource

Keywords: USEDit, ABRF, Genomic Services, Oligo Synthesis, Gene Expression, Real-Time PCR, PyroSequencing, Next-Generation Sequencing (NGS), DNA Sequencing (Sanger)/Fragment Analysis, Single Cell Genomics, RNA-DNA QC ioanalyzer and Fragment Analyzer QC. Protein Services include Peptide Synthesis, Mass Spectrometry, Protein Analytics, Mass Mapping/Edman Sequencing, Surface Plasmon Resonance,

Resource Name: Stanford Protein and Nucleic Acid Biotechnology Core Facility

Resource ID: SCR_023326

Record Creation Time: 20230308T050206+0000

Record Last Update: 20260903T235907+0000

Ratings and Alerts

No rating or validation information has been found for Stanford Protein and Nucleic Acid Biotechnology Core Facility.

No alerts have been found for Stanford Protein and Nucleic Acid Biotechnology Core Facility.
