Segment Anything Model

RRID:SCR_023680

Type: Tool

Proper Citation

Segment Anything Model (RRID:SCR_023680)

Resource Information

URL: <https://segment-anything.com/>

Proper Citation: Segment Anything Model (RRID:SCR_023680)

Description: Promptable segmentation system with zero shot generalization to unfamiliar objects and images, without need for additional training. Github repository provides code for running inference with SegmentAnything Model, links for downloading trained model checkpoints, and example notebooks that show how to use the model.

Abbreviations: SAM

Synonyms: Meta Segment Anything Model

Resource Type: software resource

Defining Citation: [DOI:10.48550/arXiv.2304.02643](https://doi.org/10.48550/arXiv.2304.02643)

Keywords: Meta AI, segmentation system,

Resource Name: Segment Anything Model

Resource ID: SCR_023680

Alternate URLs: <https://github.com/facebookresearch/segment-anything>

License: Apache License 2.0

Record Creation Time: 20230616T050221+0000

Record Last Update: 20260808T190247+0000

Ratings and Alerts

No rating or validation information has been found for Segment Anything Model.

No alerts have been found for Segment Anything Model.

Data and Source Information
