ReDU

RRID:SCR_025105

Type: Tool

Proper Citation

ReDU (RRID:SCR_025105)

Resource Information

URL: <https://redu.ucsd.edu/>

Proper Citation: ReDU (RRID:SCR_025105)

Description: Software framework to find and re-analyze public Mass Spectrometry data. Used to find uniformly formatted public MS/MS data in the Global Natural Product Social Molecular Networking Platform (GNPS) via formatted metadata. New or previously collected data can be added provided they adhere to the ReDU metadata standards (the implemented drag-and-drop validator is applicable to any scientific data) and data are available in GNPS/MassIVE.

Synonyms: Reanalysis of Data User

Resource Type: data access protocol, software resource, web service

Defining Citation: [PMID:32807955](#)

Keywords: Mass Spectrometry data, find uniformly formatted public MS/MS data, formatted metadata, Global Natural Product Social Molecular Networking Platform, GNPS, find and re-analyze public Mass Spectrometry data, ReDU metadata standards, data validator,

Funding: American Society for Mass Spectrometry ;
FAPESP ;
Gordon and Betty Moore Foundation ;
Krupp Endowed Fund ;
NCI R03 CA211211;
