ABCE1 / RNase L antibody

RRID:AB_10721856

Type: Antibody

Proper Citation

GeneTex Cat# GTX88553, RRID:AB_10721856

Antibody Information

URL: http://antibodyregistry.org/AB_10721856

Proper Citation: GeneTex Cat# GTX88553, RRID:AB_10721856

Target Antigen: ABCE1 / RNase L antibody

Host Organism: goat

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: ELISA; Preliminary experiments gave an approx. 80kDa band in Human Spleen lysates after 0.2µg/ml antibody staining. Please note that currently we cannot find an explanation in the literature for the band we observe given the calculated size of 67.3kDa according to NP_002931.2. The ~80kDa band was successfully blocked by incubation with the immunizing peptide. We would appreciate any feedback from people in the field - have any results been reported with other antibodies/lysates? Have any further splice variants/modified forms been reported? Reported variants represent identical protein: NP_002931.2 NP_001035809.1 ELISA.

Antibody Name: ABCE1 / RNase L antibody

Description: This polyclonal targets ABCE1 / RNase L antibody

Target Organism: rat, canine, cow, mouse, bovine, dog, human

Antibody ID: AB_10721856

Vendor: GeneTex

Catalog Number: GTX88553

Record Creation Time: 20250819T232901+0000

Record Last Update: 20250820T052844+0000

Ratings and Alerts

No rating or validation information has been found for ABCE1 / RNase L antibody.

Warning: Discontinued at GeneTex
