MGMT [MT3.1] antibody

RRID:AB_383798

Type: Antibody

Proper Citation

GeneTex Cat# GTX73980, RRID:AB_383798

Antibody Information

URL: http://antibodyregistry.org/AB_383798

Proper Citation: GeneTex Cat# GTX73980, RRID:AB_383798

Target Antigen: MGMT [MT3.1] antibody

Host Organism: mouse

Clonality: monoclonal

Comments: Discontinued; manufacturer recommendations: Immunohistochemistry; This antibody may be diluted to a titer of 1:25-1:50 in an ABC method. However, depending on the staining conditions employed, we suggest that final dilution should be determined by the user. We suggest an incubation period of 30-60 minutes at room temperature. However, depending upon the fixation conditions and the staining system employed, optimal incubation should be determined by the user. High temperature treatment of formalin-fixed tissue sections with 10 mM citrate buffer, pH 6.0 must be performed prior to the immunostaining., The usefulness of this product in other applications has not been determined.

Antibody Name: MGMT [MT3.1] antibody

Description: This monoclonal targets MGMT [MT3.1] antibody

Antibody ID: AB_383798

Vendor: GeneTex

Catalog Number: GTX73980

Record Creation Time: 20250820T035003+0000

Record Last Update: 20250820T171859+0000

Ratings and Alerts

No rating or validation information has been found for MGMT [MT3.1] antibody.

Warning: Discontinued at GeneTex
