ASTRAL Compendium for Sequence and Structure Analysis

RRID:SCR_001886

Type: Tool

Proper Citation

ASTRAL Compendium for Sequence and Structure Analysis (RRID:SCR_001886)

Resource Information

URL: <http://astral.berkeley.edu/>

Proper Citation: ASTRAL Compendium for Sequence and Structure Analysis (RRID:SCR_001886)

Description: It provides databases and tools useful for analyzing protein structures and their sequences. It is partially derived from, and augments the SCOP: Structural Classification of Proteins database, a database created by manual inspection and abetted by a battery of automated methods, aims to provide a detailed and comprehensive description of the structural and evolutionary relationships between all proteins whose structure is known. Most of the resources provided here depend upon the coordinate files maintained and distributed by the Protein Data Bank. Sponsors: This work is supported by grants from the NIH (1-P50-GM62412, 1-K22-HG00056) and the Searle Scholars Program (01-L-116), and by the US Department of Energy under contract DE-AC03-76SF00098.

Abbreviations: ASTRAL

Synonyms: ASTRAL Compendium for Sequence and Structure Analysis, The ASTRAL Compendium for Sequence and Structure Analysis

Resource Type: software application, data or information resource, database, data processing software, software resource, data storage software

Defining Citation: [PMID:10592239](#)

Keywords: gene, amino acid, homology, protein sequence, protein structure

Availability: Free, Available for download, Freely available

Resource Name: ASTRAL Compendium for Sequence and Structure Analysis

Resource ID: SCR_001886

Alternate IDs: nif-0000-02580

Record Creation Time: 20220129T080210+0000

Record Last Update: 20260729T044017+0000

Ratings and Alerts

No rating or validation information has been found for ASTRAL Compendium for Sequence and Structure Analysis.

No alerts have been found for ASTRAL Compendium for Sequence and Structure Analysis.
