CCHDO

RRID:SCR_007093
Type: Tool

Proper Citation

CCHDO (RRID:SCR_007093)

Resource Information

URL: http://cchdo.ucsd.edu/

Proper Citation: CCHDO (RRID:SCR_007093)

Description: Supports oceanographic research by providing access to high quality, global, vessel-based CTD and hydrographic data from GO-SHIP, WOCE, CLIVAR and other repeat hydrography programs. These data are openly accessible and served in standardized community formats (WHP-Exchange, WOCE, and netCDF). CCHDO also manages public and non-public CTD data for use by the global Argo and OceanSITES programs.

Abbreviations: CCHDO

Synonyms: CLIVAR and Carbon Hydrographic Data Office, CLIVAR & Carbon Hydrographic Data Office

Resource Type: service resource, database, storage service resource, data repository, data or information resource

Keywords: oceanographic, ctd, hydrographic, ocean, data set, time series, bottle, station, temperature, salinity, deep profile, profile data, whpo, go-ship, data assembly, access center

Funding: Climate Observations Division ;
NOAA ;
NSA

Availability: Free, Freely available

Resource Name: CCHDO

Resource ID: SCR_007093

Alternate IDs: nlx_154728, r3d100010831

Alternate URLs: https://api.datacite.org/dois?prefix=10.7942, https://doi.org/10.17616/R3Q61R

Record Creation Time: 20220129T080239+0000

Record Last Update: 20260728T043244+0000

Ratings and Alerts

No rating or validation information has been found for CCHDO.

No alerts have been found for CCHDO.
