IPD-HPA - Human Platelet Antigens

RRID:SCR_007747

Type: Tool

Proper Citation

IPD-HPA - Human Platelet Antigens (RRID:SCR_007747)

Resource Information

URL: <http://www.ebi.ac.uk/ipd/hpa/>

Proper Citation: IPD-HPA - Human Platelet Antigens (RRID:SCR_007747)

Description: A centralised repository for the data which define the human platelet antigens (HPA). Alloantibodies against human platelet antigens are involved in neonatal alloimmune thrombocytopenia, post-transfusion purpura and refractoriness to random donor platelets. The Human Platelet Antigen (HPA) nomenclature system was adopted in 1990 to overcome problems with the previous nomenclature. Since then more antigens have been described and meanwhile the molecular basis of many has been resolved, and the nomenclature was revised in 2003.

Synonyms: Immuno polymorphism database, IPD-HPA

Resource Type: data or information resource, database

Keywords: polymorphism, immuno-polymorphism, alloantigen

Resource Name: IPD-HPA - Human Platelet Antigens

Resource ID: SCR_007747

Alternate IDs: nif-0000-03040

Record Creation Time: 20220129T080243+0000

Record Last Update: 20260729T044155+0000

Ratings and Alerts

No rating or validation information has been found for IPD-HPA - Human Platelet Antigens.

No alerts have been found for IPD-HPA - Human Platelet Antigens.
