Plant MPSS

RRID:SCR_007861

Type: Tool

Proper Citation

Plant MPSS (RRID:SCR_007861)

Resource Information

URL: <http://mpss.udel.edu>

Proper Citation: Plant MPSS (RRID:SCR_007861)

Description: It provides access to a variety of databases of plant genomics databases. These include: *Arabidopsis PARE Database *Arabidopsis SBS Database *Arabidopsis MPSS Plus Database *Rice MPSS Database *Legume SBS Database *Maize SBS Database *Gallus Gallus SBS Database *Magnaporthe MPSS Database *Grape MPSS Database These data have been generated by a series of different projects, mainly based at the University of Delaware and funded primarily by grants from the National Science Foundation and the United States Department of Agriculture. The database and the web pages that you see were produced by the Meyers lab, with data generated within our lab, by collaborating laboratories like the Green or Wang labs. Some data we've gathered from Genbank or other public sources. Much of the data was produced under contract by Illumina, Inc (Hayward, California), but some SBS libraries are now being sequenced at other sites.

Synonyms: Plant MPSS

Resource Type: data or information resource, database

Resource Name: Plant MPSS

Resource ID: SCR_007861

Record Creation Time: 20220129T080244+0000

Record Last Update: 20260729T044157+0000

Ratings and Alerts

No rating or validation information has been found for Plant MPSS.

No alerts have been found for Plant MPSS.
