SCORE

RRID:SCR_014165

Type: Tool

Proper Citation

SCORE (RRID:SCR_014165)

Resource Information

URL: <http://www.nitrc.org/projects/score/>

Proper Citation: SCORE (RRID:SCR_014165)

Description: A collection of methods for comparing the performance of different image algorithms. These methods generate quantitative scores that measure divergences to a standard.

Resource Type: data or information resource, narrative resource, experimental protocol

Keywords: experiment protocol, method, different image algorithm, quantitative score

Funding: NLM HHSN276201000584P;
NIBIB 1R41 EB011796

Resource Name: SCORE

Resource ID: SCR_014165

License: 3D Slicer License

Record Creation Time: 20220129T080319+0000

Record Last Update: 20260729T044325+0000

Ratings and Alerts

No rating or validation information has been found for SCORE.

No alerts have been found for SCORE.

Data and Source Information

Usage and Citation Metrics

We found 458 mentions in open access literature.

Listed below are recent publications. The full list is available at [nidm-terms](#) .
