LPSN Database (RRID:SCR_018151)

Resource Information

URL: <http://Bacterio.net>

Proper Citation: LPSN Database (RRID:SCR_018151)

Description: Database lists names of prokaryotes that have been validly published in International Journal of Systematic and Evolutionary Microbiology directly or by inclusion in Validation List, under Rules of International Code of Nomenclature of Bacteria. Has classification of prokaryotes and information on prokaryotic nomenclature and culture collections.

Synonyms: List of Prokaryotic names with Standing in Nomenclature Database

Resource Type: data or information resource, database, service resource

Defining Citation: [DOI:10.1093/nar/gkt1111](https://doi.org/10.1093/nar/gkt1111)

Keywords: Collection, published Prokaryote name, International Journal of Systematic and Evolutionary Microbiology, prokaryotes classification, prokaryotes nomenclature, culture collection, data, FASEB list

Availability: Free, Freely available

Resource Name: LPSN Database

Resource ID: SCR_018151

Record Creation Time: 20220129T080338+0000

Record Last Update: 20260731T043019+0000
