University of California at Santa Cruz Life Sciences Microscopy Center Core Facility

RRID:SCR_021135

Type: Tool

Proper Citation

University of California at Santa Cruz Life Sciences Microscopy Center Core Facility
(RRID:SCR_021135)

Resource Information

URL: <https://ibsc.ucsc.edu/facilities/microscopy>

Proper Citation: University of California at Santa Cruz Life Sciences Microscopy Center Core Facility (RRID:SCR_021135)

Description: Core facility affiliated with Institute for Biology of Stem Cells. Provides imaging instrumentation to biology research community including personalized assistance on various aspects of imaging. Offers assistance in experimental design, training on shared microscopes, image visualization and image analysis.

Synonyms: UCSC Life Sciences Microscopy Center

Resource Type: access service resource, core facility, service resource

Keywords: USEDit, IBSC, imaging instrumentation, imaging personalized assistance, ABRF

Funding: NIH Office of the Director OD023528

Resource Name: University of California at Santa Cruz Life Sciences Microscopy Center Core Facility

Resource ID: SCR_021135

Alternate IDs: ABRF_1168

Alternate URLs: <https://coremarketplace.org/?FacilityID=1168>

Record Creation Time: 20220129T080354+0000

Record Last Update: 20260728T043616+0000

Ratings and Alerts

No rating or validation information has been found for University of California at Santa Cruz Life Sciences Microscopy Center Core Facility.

No alerts have been found for University of California at Santa Cruz Life Sciences Microscopy Center Core Facility.
