Terra

RRID:SCR_021648

Type: Tool

Proper Citation

Terra (RRID:SCR_021648)

Resource Information

URL: <https://terra.bio>

Proper Citation: Terra (RRID:SCR_021648)

Description: Open ecosystem of data repositories hosted by various partner organizations, who work together to ensure that their data can be federated across participating platforms. Open source platform for biomedical researchers to access data, run analysis tools, and collaborate. Terra powers important scientific projects including AnVIL, BioData Catalyst, Human Cell Atlas, BICCN, and many others. Easily access both open and access-controlled datasets hosted in cloud repositories. Explore, analyze, and visualize data using Jupyter Notebooks, RStudio, RShinyApps, and Galaxy.

Synonyms: Terra Cloud Native Platform, BCDC cloud computing environment

Resource Type: portal, data or information resource

Keywords: Biomedical researcher platform, access data, run analysis tools, collaborate, access controlled datasets, cloud repositories

Availability: Free, Freely available

Resource Name: Terra

Resource ID: SCR_021648

License URLs: <https://terra.bio/about/terms-of-service/>

Record Creation Time: 20220129T080356+0000

Record Last Update: 20260725T190949+0000

Ratings and Alerts

No rating or validation information has been found for Terra.

No alerts have been found for Terra.
