Proper Citation: Mammal Diversity Database (RRID:SCR_026173)

Description: Updatable online database of mammal taxonomic and biodiversity information hosted by American Society of Mammalogists. Provides information on species-level and higher taxonomic changes, thereby promoting more rigorous study of mammalian biodiversity worldwide. The initial objective has been to aggregate, curate, and compile, new citations on species descriptions and taxonomic revisions into regular releases that are downloadable in comma-delimited format. Downstream goals include expanded hosting of ecological, trait, and taxonomic data.

Resource Type: data or information resource, database

Keywords: American Society of Mammalogists, mammal, taxonomic, biodiversity, information, ecological, trait, taxonomic, data

Availability: Free, Freely available,

Resource Name: Mammal Diversity Database

Resource ID: SCR_026173

Alternate URLs: <https://zenodo.org/records/4139818>

Record Creation Time: 20241212T053258+0000

Record Last Update: 20260829T183421+0000

Ratings and Alerts

No rating or validation information has been found for Mammal Diversity Database.

No alerts have been found for Mammal Diversity Database.
