SQuIRE

RRID:SCR_027719

Type: Tool

Proper Citation

SQuIRE (RRID:SCR_027719)

Resource Information

URL: <https://github.com/wyang17/SQuIRE>

Proper Citation: SQuIRE (RRID:SCR_027719)

Description: Software RNA-seq analysis pipeline that provides quantitative and locus-specific picture of Transposable Elements expression.

Abbreviations: SQuIRE

Synonyms: , Software for Quantifying Interspersed Repeat Expression (SQuIRE), Software for Quantifying Interspersed Repeat Expression

Resource Type: source code, software toolkit, software resource

Defining Citation: [PMID:30624635](#)

Keywords: RNA-seq analysis, quantitative and locus-specific picture of TE expression, Transposable Elements expression,

Funding: NIGMS R01GM124531;
NIGMS P50GM107632

Availability: Free, Available for download, Freely available

Resource Name: SQuIRE

Resource ID: SCR_027719

Record Creation Time: 20251205T054815+0000

Record Last Update: 20260811T043828+0000

Ratings and Alerts

No rating or validation information has been found for SQuIRE.

No alerts have been found for SQuIRE.
