MUMA

RRID:SCR_002412

Type: Tool

Proper Citation

MUMA (RRID:SCR_002412)

Resource Information

URL: <http://cran.r-project.org/web/packages/muma/>

Proper Citation: MUMA (RRID:SCR_002412)

Description: Software that provides guidelines for the whole process of metabolomic data interpretation, from data pre-processing, to dataset exploration and visualization, to identification of potentially interesting metabolites. Guidelines outline the following processes: preprocessing of high-throughput data (normalization and scalings); principal component analysis with help tool for choosing best-separating principal components and automatic testing for outliers; automatic univariate analysis for parametric and non-parametric data, with generation of specific reports (volcano and box plots); partial least square discriminant analysis (PLS-DA); orthogonal partial least square discriminant analysis (OPLS-DA); Statistical Total Correlation Spectroscopy (STOCSY); and Ratio Analysis Nuclear Magnetic Resonance (NMR) Spectroscopy (RANSY).

Abbreviations: MUMA

Synonyms: Metabolomics Univariate and Multivariate Analysis (MUMA), Metabolomic Univariate and Multivariate Analysis

Resource Type: software application, standalone software, software resource

Keywords: standalone software, mac os x, unix/linux, windows, r, metabolomics, univariate, multivariate, data analysis

Availability: Free, Available for download, Freely available

Resource Name: MUMA

Resource ID: SCR_002412

Alternate IDs: OMICS_03370

License: GNU General Public License v2

Record Creation Time: 20220129T080213+0000

Record Last Update: 20260729T044025+0000

Ratings and Alerts

No rating or validation information has been found for MUMA.

No alerts have been found for MUMA.
