peak nii

RRID:SCR_002572

Type: Tool

Proper Citation

peak nii (RRID:SCR_002572)

Resource Information

URL: http://www.nitrc.org/projects/peak_nii/

Proper Citation: peak nii (RRID:SCR_002572)

Description: Software toolbox for statistical image clustering, peak detection and data extraction developed to allow the user to have flexibility of clustering their data. Based on your threshold, it will cluster your data and find the peaks within each cluster. Additionally, it has been combined with a data extraction tool that allows one to extract the data from all the scans of the analysis from all the clusters, along with several other extraction options, with a single command.

Abbreviations: peak_nii

Synonyms: peak_nii: Statistical image clustering peak detection and data extraction, peak nii

Resource Type: software resource, software application, image processing software, data processing software, software toolkit

Keywords: magnetic resonance, pet, spect

Availability: Personal License

Resource Name: peak nii

Resource ID: SCR_002572

Alternate IDs: nlx_155975

Record Creation Time: 20220129T080214+0000

Record Last Update: 20260728T043131+0000

Ratings and Alerts

No rating or validation information has been found for peak nii.

No alerts have been found for peak nii.
