Human Gene Connectome Server

RRID:SCR_002627

Type: Tool

Proper Citation

Human Gene Connectome Server (RRID:SCR_002627)

Resource Information

URL: <http://hgc.rockefeller.edu/>

Proper Citation: Human Gene Connectome Server (RRID:SCR_002627)

Description: An interactive web server that enables researchers to prioritize any list of genes by their biological proximity to defined core genes (i.e. genes that are known to be associated with the phenotype), and to predict novel gene pathways.

Abbreviations: HGCS

Resource Type: analysis service resource, data analysis service, production service resource, service resource

Defining Citation: [PMID:23509278](#)

Keywords: gene, disease, phenotype, genome, connectome, bio.tools

Availability: Free

Resource Name: Human Gene Connectome Server

Resource ID: SCR_002627

Alternate IDs: nlx_156049, biotools:hgcs

Alternate URLs: <https://bio.tools/hgcs>

Record Creation Time: 20220129T080214+0000

Record Last Update: 20260919T195636+0000

Ratings and Alerts

No rating or validation information has been found for Human Gene Connectome Server.

No alerts have been found for Human Gene Connectome Server.
