BestKeeper

RRID:SCR_003380

Type: Tool

Proper Citation

BestKeeper (RRID:SCR_003380)

Resource Information

URL: <http://www.gene-quantification.de/bestkeeper.html>

Proper Citation: BestKeeper (RRID:SCR_003380)

Description: Excel-based tool using pair-wise correlations for determination of stable housekeeping genes, differentially regulated target genes and sample integrity. It determines the best suited standards, out of ten candidates, and combines them into an index. The index can be compared with further ten target genes to decide, whether they are differentially expressed under an applied treatment. All data processing is based on crossing points.

Abbreviations: BestKeeper

Resource Type: software resource

Defining Citation: [PMID:15127793](#)

Keywords: gene, excel, quantification, rt-qpcr, gene expression, target gene, differential expression

Availability: Free, Available for download, Freely available

Resource Name: BestKeeper

Resource ID: SCR_003380

Alternate IDs: OMICS_02318

Alternate URLs: <http://bestkeeper.gene-quantification.info/>

Old URLs: <http://www.wzw.tum.de/gene-quantification/bestkeeper.html>

Record Creation Time: 20220129T080218+0000

Record Last Update: 20260725T190539+0000

Ratings and Alerts

No rating or validation information has been found for BestKeeper.

No alerts have been found for BestKeeper.
