PubChem Substance

RRID:SCR_004742

Type: Tool

Proper Citation

PubChem Substance (RRID:SCR_004742)

Resource Information

URL: <http://www.ncbi.nlm.nih.gov/pcsubstance?db=pcsubstance>

Proper Citation: PubChem Substance (RRID:SCR_004742)

Description: As one of three primary databases of PubChem (Pcsubstance, Pccompound, and PCBioAssay), PubChem Substance Database contains descriptions of chemical samples, from a variety of sources, and links to PubMed citations, protein 3D structures, and biological screening results that are available in PubChem BioAssay. If the contents of a chemical sample are known, the description includes links to PubChem Compound. A PubChem FTP is available and new data is accepted into the repository. Pcsubstance contains more than 81 million records (2011).

Abbreviations: PubChem Substance

Synonyms: PubChem Substances Database, Pcsubstance, NCBI PubChem Substance, PubChem Substance Database

Resource Type: d spatial image, data or information resource, data repository, database, service resource, storage service resource

Defining Citation: [PMID:26400175](#), [PMID:26175801](#)

Keywords: small molecule, biological activity, chemical substance, bioactivity, gold standard

Resource Name: PubChem Substance

Resource ID: SCR_004742

Alternate IDs: nlx_74645

Alternate URLs: <http://pubchem.ncbi.nlm.nih.gov/>

Record Creation Time: 20220129T080226+0000

Ratings and Alerts

No rating or validation information has been found for PubChem Substance.

No alerts have been found for PubChem Substance.
