Rosalind

RRID:SCR_006233

Type: Tool

Proper Citation

Rosalind (RRID:SCR_006233)

Resource Information

URL: <http://rosalind.info/>

Proper Citation: Rosalind (RRID:SCR_006233)

Description: A software infrastructure, course and tool set for teaching bioinformatics, and biology through the use of models. This platform for learning bioinformatics through problem solving aims to make learning bioinformatics fun and easy. Learning bioinformatics usually requires solving computational problems of varying difficulty that are extracted from real challenges of molecular biology. Rosalind offers an array of intellectually stimulating problems that grow in biological and computational complexity; each problem is checked automatically, so that the only resource required to learn bioinformatics is an internet connection. Rosalind also promises to facilitate improvements in standard bioinformatics education by providing a vital teaching aid and a central homework resource. Rosalind is inspired by Project Euler, Google Code Jam, and the ever growing movement of free online courses. The project's name commemorates Rosalind Franklin, whose X-ray crystallography with Raymond Gosling facilitated the discovery of the DNA double helix by Watson and Crick. We hope that Rosalind will inspire a new generation of bioinformatics students by attracting biologists who want to develop vital programming skills at their own pace in a unique environment as well as programmers who have never been exposed to some of the stimulating computational problems generated by molecular biology.

Abbreviations: Rosalind

Resource Type: online course, training resource, open course

Keywords: bioinformatics, biology, model, programming, teaching, course, problem solving, python, algorithm, molecular biology

Funding: Howard Hughes Medical Institute ;
Ministry of Education and Science of the Russian Federation ;
Megagrant

Resource Name: Rosalind

Resource ID: SCR_006233

Alternate IDs: nlx_151793, OMICS_01709

Record Creation Time: 20220129T080235+0000

Record Last Update: 20260728T043229+0000

Ratings and Alerts

No rating or validation information has been found for Rosalind.

No alerts have been found for Rosalind.
