MCell

RRID:SCR_007307

Type: Tool

Proper Citation

MCell (RRID:SCR_007307)

Resource Information

URL: <http://www.mcell.cnl.salk.edu/>

Proper Citation: MCell (RRID:SCR_007307)

Description: Software modeling tool for realistic simulation of cellular signaling in complex 3-D subcellular microenvironment in and around living cells. Program that uses spatially realistic 3D cellular models and specialized Monte Carlo algorithms to simulate movements and reactions of molecules within and between cells.

Synonyms: Monte Carlo simulator of cellular microphysiology

Resource Type: simulation software, software resource, software application

Keywords: Monte Carlo, simulator, cellular, microphysiology, living, cell, BRAIN Initiative

Funding: NIGMS P41 GM103712

Availability: Free, Available for download, Freely available

Resource Name: MCell

Resource ID: SCR_007307

Alternate IDs: nif-0000-00160

Alternate URLs: <https://github.com/mcellteam/mcell>

Record Creation Time: 20220129T080241+0000

Record Last Update: 20260731T042735+0000

Ratings and Alerts

No rating or validation information has been found for MCell.

No alerts have been found for MCell.

Data and Source Information
