## University of Texas El Paso Bioinformatics Computing Laboratory

RRID:SCR_010138
Type: Tool

### Proper Citation

University of Texas El Paso Bioinformatics Computing Laboratory (RRID:SCR_010138)

### Resource Information

**URL:** http://utep.eagle-i.net/i/00000134-aa20-7ae5-bfc0-fe9780000000

**Proper Citation:** University of Texas El Paso Bioinformatics Computing Laboratory (RRID:SCR_010138)

**Description:** Core facility provides the following services: General Bioinformatics Computing Support, Software Development and Computational Modeling. The Bioinformatics Computing Laboratory (BCL) serves as a core facility for the Border Biomedical Research Center (BBRC). Core specializes in developing databases and software for: genomics and proteomics data analysis; biomolecular sequence analysis and structure prediction; and glycosylation site prediction. Core aids researchers in the use of these advanced bioinformatics software tools by building user-friendly, customized, web-based interfaces for them.

**Abbreviations:** BCL, BBRC, UTEP BCL,

**Synonyms:** , BCL, UTEP, BBRC, University of Texas El Paso

**Resource Type:** access service resource, core facility, service resource

**Keywords:** bioinformatics analysis, computational modeling, web programming, non-web programming

**Availability:** Available to external user

**Resource Name:** University of Texas El Paso Bioinformatics Computing Laboratory

**Resource ID:** SCR_010138

**Alternate IDs:** nlx_156617

**Alternate URLs:** http://www.bioinformatics.utep.edu/BCL/

**Record Creation Time:** 20220129T080257+0000

**Record Last Update:** 20260728T043337+0000

## Ratings and Alerts

No rating or validation information has been found for University of Texas El Paso Bioinformatics Computing Laboratory.

No alerts have been found for University of Texas El Paso Bioinformatics Computing Laboratory.

## Data and Source Information

**Source:** SciCrunch Registry

## Usage and Citation Metrics

We have not found any literature mentions for this resource.
