**Proper Citation:** Vilnius University; Vilnius; Lithuania (RRID:SCR\_011764)

**Description:** Vilnius University is the oldest and largest Lithuanian higher education institution. Since its establishment in the 16th century, Vilnius University, as integral part of European science and culture has embodied the concept of a classical university and the unity of studies and research. Vilnius University is an active participant in international scientific and academic activities and boasts many prominent scientists, professors and graduates. Scientific development and the expanding relations with global research centres have contributed to the variety of research and studies at Vilnius University. With the support of social partners, the university educates globallyminded specialists who successfully integrate in the modern European community.
