MassLynx

RRID:SCR_014271

Type: Tool

Proper Citation

MassLynx (RRID:SCR_014271)

Resource Information

URL: http://www.waters.com/waters/en_US/MassLynx-MS-Software/nav.htm?cid=513662&locale=en_US

Proper Citation: MassLynx (RRID:SCR_014271)

Description: Software which can acquire, analyze, manage, and share mass spectrometry data. MassLynx controls any Waters mass spectrometry system, from sample and solvent management components to mass spectrometer and auxiliary detectors. The software can acquire nominal mass, exact mass, MS/MS and exact mass MS/MS data. The software system also maintains and consolidates all user sample data. Optional Application Manager programs provide additional information for specific MS analyses and data., THIS RESOURCE IS NO LONGER IN SERVICE. Documented on September 16,2025.

Synonyms: MassLynx MS Software

Resource Type: data analysis software, data management software, software resource, data acquisition software, software application, data processing software

Keywords: data acquisition software, data analysis software, data management software, mass spectrometry

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: MassLynx

Resource ID: SCR_014271
