Proper Citation: PsyGeNET (RRID:SCR_014406)

Description: Knowledge platform on psychiatric disorders and their genes. Resource for exploratory analysis of psychiatric diseases and their associated genes. PsyGeNET is composed of database and set of analysis tools and is the result of the integration of information from DisGeNET and data extracted from the literature by text mining, followed by curation by domain experts.

Synonyms: Psychiatric disorders Gene association NETwork, Psychiatric disorders Gene association Network

Resource Type: data analysis software, data or information resource, data processing software, database, software application, software resource

Defining Citation: [DOI:10.1093/bioinformatics/btv301](https://doi.org/10.1093/bioinformatics/btv301)

Keywords: psychiatric disease, associated gene, database, analysis tool, bio.tools

Related Condition: Psychiatric disorder

Availability: Available for the research community

Resource Name: PsyGeNET

Resource ID: SCR_014406

Alternate IDs: biotools:psygenet2r

Alternate URLs: <https://bio.tools/psygenet2r>

License: Open Database License, Database Contents License

License URLs: <http://www.psygenet.org/ds/PsyGeNET/html/legal.html>

Record Creation Time: 20220129T080320+0000

Record Last Update: 20260919T195256+0000

Ratings and Alerts

No rating or validation information has been found for PsyGeNET.

No alerts have been found for PsyGeNET.
