Proper Citation: Agilent ChemStation Software (RRID:SCR_015742)

Description: THIS RESOURCE HAS BEEN DISCONTINUED. Documented October 3, 2017. Operational software created by Agilent Technologies to operate with its ChemStation hardware. The software can manage all parameters for instrument control, data acquisition and evaluation, including integration, quantification and reporting.

Synonyms: ChemStation, ChemStation Software

Resource Type: software application, data analysis software, software resource, data processing software, data acquisition software

Keywords: operating system, operational software, instrument control, data acquisition, integration, agilent technologies

Resource Name: Agilent ChemStation Software

Resource ID: SCR_015742

Record Creation Time: 20220129T080327+0000

Record Last Update: 20260729T044400+0000
