ABCD Study

RRID:SCR_015769

Type: Tool

Proper Citation

ABCD Study (RRID:SCR_015769)

Resource Information

URL: <https://abcdstudy.org>

Proper Citation: ABCD Study (RRID:SCR_015769)

Description: Long-term study of brain development and child health in the United States. The study tracks subjects' biological and behavioral development through adolescence into young adulthood to determine how childhood experiences (such as sports, videogames, social media, unhealthy sleep patterns, and smoking) interact with each other and with a child's changing biology to affect brain development and social, behavioral, academic, health, and other outcomes.

Abbreviations: ABCD

Synonyms: The Adolescent Brain Cognitive Development Study

Resource Type: data or information resource, data set

Defining Citation: [PMID:29051027](#)

Keywords: clinical study, adolescent, development, research, neuroimaging, brain development

Funding: NIDA U24 DA041123;
NIDA U24 DA041147;
NIDA U01 DA041120;
