statsmodel

RRID:SCR_016074

Type: Tool

Proper Citation

statsmodel (RRID:SCR_016074)

Resource Information

URL: <http://www.statsmodels.org/>

Proper Citation: statsmodel (RRID:SCR_016074)

Description: Statistical software that provides classes and functions for the estimation of many different models, as well as for conducting statistical tests, and statistical data exploration. The results are tested against existing statistical packages to ensure that they are correct. <http://conference.scipy.org/proceedings/scipy2010/seabold.html>

Synonyms: Statsmodels: Econometric and Statistical Modeling with Python

Resource Type: data analysis software, data processing software, software resource, software application

Keywords: python, statistic, estimate, econometric, model, library, class, function, r

Availability: Open source, Available for download

Resource Name: statsmodel

Resource ID: SCR_016074

License: Modified BSD (3-clause) License

Record Creation Time: 20220129T080328+0000

Record Last Update: 20260814T042921+0000

Ratings and Alerts

No rating or validation information has been found for statsmodel.

No alerts have been found for statsmodel.

Data and Source Information
