Garlic

RRID:SCR_016118

Type: Tool

Proper Citation

Garlic (RRID:SCR_016118)

Resource Information

URL: <http://www.zucic.org/garlic/>

Proper Citation: Garlic (RRID:SCR_016118)

Description: Software application for visualization and editing of biomolecules. Used for the investigation of membrane proteins, visualization of other proteins and geometric objects, and analysis of protein sequences.

Resource Type: data analysis software, data processing software, data visualization software, sequence analysis software, software application, software resource

Keywords: visualization, editing, biomolecule, investigation, membrane, protein, analyze, sequence

Availability: Open source, Free, Available for download

Resource Name: Garlic

Resource ID: SCR_016118

Alternate IDs: OMICS_21303

Alternate URLs: <https://sources.debian.org/src/garlic/>

License: GNU GPL

Record Creation Time: 20220129T080329+0000

Record Last Update: 20260919T195318+0000

Ratings and Alerts

No rating or validation information has been found for Garlic.

No alerts have been found for Garlic.

Data and Source Information
