Proper Citation: OmicsBean (RRID:SCR_016322)

Description: Software tool for multi-omics data analysis that can perform complex and personalized analysis. Network regulation and molecular mechanism models can be customized according to the requirements of the users.

Resource Type: data processing software, data analytics software, data analysis software, software resource, software application

Keywords: GeneForHealth Biotech Inc (GFK), data, analysis, genome, proteome, metabolome, network, molecular, mechanism, model, collect, store, analytic, multi, omic

Availability: Commercially available, Demo available

Resource Name: OmicsBean

Resource ID: SCR_016322

License URLs: <http://www.omicsbean.cn/license/>

Record Creation Time: 20220129T080330+0000

Record Last Update: 20260731T043001+0000
