MentaLiST

RRID:SCR_016469

Type: Tool

Proper Citation

MentaLiST (RRID:SCR_016469)

Resource Information

URL: <https://github.com/WGS-TB/MentaLiST>

Proper Citation: MentaLiST (RRID:SCR_016469)

Description: Software for a MLST (multi-locus sequence typing) caller, based on a k-mer counting algorithm and written in the Julia language. Designed and implemented to handle large typing schemes.

Resource Type: data analysis software, data processing software, sequence analysis software, software application, software resource

Defining Citation: [PMID:29319471](#)

Keywords: next, generation, sequencing, multi, locus, sequence, typing, pathogen, surveillance, gene, identify, strain, type, housekeeping, whole, genome, sequencing, data, bacteria, genotyping, bio.tools

Funding: Canadian Institute for Health Research ;
Genome BC ;
Genome Canada

Availability: Free, Available for download, Freely available

Resource Name: MentaLiST

Resource ID: SCR_016469

Alternate IDs: biotools:mentalist

Alternate URLs: <https://bio.tools/mentalist>

License: MIT License

Record Creation Time: 20220129T080330+0000

Ratings and Alerts

No rating or validation information has been found for MentaLiST.

No alerts have been found for MentaLiST.
