TinderMIX

RRID:SCR_018364

Type: Tool

Proper Citation

TinderMIX (RRID:SCR_018364)

Resource Information

URL: <https://github.com/grecolab/TinderMIX>

Proper Citation: TinderMIX (RRID:SCR_018364)

Description: Software tool as framework for dose and time dependent gene expression analysis which aims to identify groups of genes that show dynamic dose response behaviour. Software R package to cluster gene expression by contour plots. Used to analyse toxicogenomics data with multiple dose levels and time points and to identify expression patterns with respect to both variables and to cluster molecular features.

Synonyms: Time-Dose INtegrated moDelling of toxicogenomics data

Resource Type: data processing software, software application, data analysis software, software resource

Keywords: Dose dependent gene expression, time dependent gene expression, gene expression analysis, dose response, cluster gene expression, contour plot, toxicogenomics data analysis, time point, dose level, expression pattern identification, data

Availability: Free, Available for download, Freely available

Resource Name: TinderMIX

Resource ID: SCR_018364
