QoRTs

RRID:SCR_018665

Type: Tool

Proper Citation

QoRTs (RRID:SCR_018665)

Resource Information

URL: <https://hartleys.github.io/QoRTs/>

Proper Citation: QoRTs (RRID:SCR_018665)

Description: Software package for quality control and data processing of RNA-Seq experiments. Software portable multifunction toolkit for assisting in analysis, quality control, and data management of RNA-Seq and DNA-Seq datasets. Used for detection and identification of errors, biases, and artifacts produced by high throughput sequencing technology. Can be used in operating system that supports Java and R.

Resource Type: data processing software, software toolkit, data analysis software, software resource, software application

Defining Citation: [PMID:26187896](#)

Keywords: Quality control, data processing, RNAseq data, DNaseq data, analysis, data management, error detection, biases, artifacts, high throughput sequencing technology,

Funding: NHGRI

Availability: Free, Freely available

Resource Name: QoRTs

Resource ID: SCR_018665

Alternate URLs: <https://github.com/hartleys/QoRTs>

Record Creation Time: 20220129T080341+0000

Record Last Update: 20260731T043025+0000

Ratings and Alerts

No rating or validation information has been found for QoRTs.

No alerts have been found for QoRTs.
