Proper Citation: Cancer Research Data Commons (RRID:SCR_019128)

Description: Cloud based data science infrastructure that provides secure access to cancer research data from NCI programs and key external cancer programs. Serves as coordinated resource for public data sharing of NCI funded programs. Users can explore and use analytical and visualization tools for data analysis. Enables to search and aggregate data across repositories including Cancer Data Service, Clinical Trial Data Commons, Genomic Data Commons, Imaging Data Commons, Integrated Canine Data Commons, Proteomic Data Commons.

Abbreviations: CRDC

Synonyms: NCI Cancer Research Data Commons, NCI CRDC

Resource Type: data or information resource, data repository, disease-related portal, portal, service resource, storage service resource, topical portal

Related Condition: Cancer

Funding: NIH

Availability: Restricted

Resource Name: Cancer Research Data Commons

Resource ID: SCR_019128

Record Creation Time: 20220129T080343+0000

Record Last Update: 20260919T195403+0000
