variancePartition

RRID:SCR_019204

Type: Tool

Proper Citation

variancePartition (RRID:SCR_019204)

Resource Information

URL: <https://bioconductor.org/packages/variancePartition/>

Proper Citation: variancePartition (RRID:SCR_019204)

Description: Software R package to quantify and interpret divers of variation in multilevel gene expression experiments.Provides statistical and visualization framework for studying drivers of variation in RNA-seq datasets in many types of high throughput genomic assays including RNA-seq gene-, exon- and isoform-level quantification, splicing efficiency, protein quantification, metabolite quantification, metagenomic assays, methylation arrays and epigenomic sequencing assays.

Resource Type: data analysis software, software resource, software application, data processing software, data analytics software

Defining Citation: [PMID:27884101](#)

Keywords: Repeated measures, variation in gene expression, RNA-seq datasets, high throughput genomic assays, splicing efficiency, protein quantification, metabolite quantification, metagenomic assays, methylation arrays, epigenomic sequencing assays, bio.tools

Funding: NHLBI U01 HL107388;
Icahn School of Medicine at Mount Sinai

Availability: Free, Available for download, Freely available

Resource Name: variancePartition

Resource ID: SCR_019204

Alternate IDs: biotools:variancepartition

Alternate URLs: <https://bio.tools/variancepartition>

License: GPL

Record Creation Time: 20220129T080343+0000

Record Last Update: 20260728T043557+0000

Ratings and Alerts

No rating or validation information has been found for variancePartition.

No alerts have been found for variancePartition.
