## ProtHint

RRID:SCR\_021167

Type: Tool

### Proper Citation

ProtHint (RRID:SCR\_021167)

### Resource Information

**URL:** <https://github.com/gatech-genemark/ProtHint>

**Proper Citation:** ProtHint (RRID:SCR\_021167)

**Description:** Software pipeline for predicting and scoring hints (in form of introns, start and stop codons) in genome of interest by mapping and spliced aligning predicted genes to database of reference protein sequences.

**Resource Type:** software toolkit, software resource

**Keywords:** Predicting and scoring hints, form of introns, start and stop codons, genome, mapping, spliced aligning, predicted genes, database, reference protein sequences

**Availability:** Free, Available for download, Freely available

**Resource Name:** ProtHint

**Resource ID:** SCR\_021167

**License URLs:** <https://github.com/gatech-genemark/ProtHint/blob/master/LICENSE>

**Record Creation Time:** 20220129T080354+0000

**Record Last Update:** 20260729T044513+0000

### Ratings and Alerts

No rating or validation information has been found for ProtHint.

No alerts have been found for ProtHint.

### Data and Source Information

## Usage and Citation Metrics

We found 45 mentions in open access literature.

**Listed below are recent publications.** The full list is available at [nidm-terms](#) .
