University of Texas at Austin Cryo Electron Microscopy Core Facility

RRID:SCR_022951

Type: Tool

Proper Citation

University of Texas at Austin Cryo Electron Microscopy Core Facility (RRID:SCR_022951)

Resource Information

URL: <https://research.utexas.edu/cbrs/cores/cem/>

Proper Citation: University of Texas at Austin Cryo Electron Microscopy Core Facility (RRID:SCR_022951)

Description: Offers training, assisted and unassisted use of microscopes and equipment, as well as consultations and collaborations. Support includes single particle cryo-EM, Cryo-ET, Micro-ED, simple characterization of samples in vitrified aqueous mixtures (e.g. nanoparticle size, etc.).

Synonyms: UTA CBRS Sauer Structural Biology Laboratory, University of Texas at Austin UTA CBRS Sauer Structural Biology Laboratory

Resource Type: access service resource, core facility, service resource

Keywords: USEDit, ABRF, single particle cryo-EM, Cryo-ET, Electron Microscopy, Micro-ED, characterization of samples in vitrified aqueous mixtures, nanoparticle size

Resource Name: University of Texas at Austin Cryo Electron Microscopy Core Facility

Resource ID: SCR_022951

Alternate IDs: ABRF_1625

Alternate URLs: <https://coremarketplace.org/?FacilityID=1625&citation=1>

Record Creation Time: 20221109T050203+0000

Record Last Update: 20260728T043647+0000

Ratings and Alerts

No rating or validation information has been found for University of Texas at Austin Cryo Electron Microscopy Core Facility.

No alerts have been found for University of Texas at Austin Cryo Electron Microscopy Core Facility.
